For children under 18 years old: Is the child using, or will be using an aspirin/aspirin-containing therapy in the next 4 weeks?		

Section 3: General Liability Waiver,indemnification and hold harmless agreements,Consent Given By Patient/Agent:

I, the undersigned patient, parent or guardian, have read or have had explained to me information about the vaccine(s) beeing injected today ("Vaccine") as outlined on the Vaccine Fact Sheet (paper or online). I have had the chance to ask questions, and answers were given to my satisfaction. I understand the risks and benefits of receiving the Vaccine. After getting the Vaccine, I agree to wait in the pharmacy for 15 minutes (or the time recommended by the pharmacist). I am aware it is possible (yet rare) to have an extreme allergic reaction to any component of the Vaccine. Serious and possibily fatal reactions called "anaphylaxis" can be life- threatening medical emergencies. Symptoms of an anaphylactic reaction may include hives, difficulty breathing, swelling of the tongue, throat, and/or lips. If I experience such symptoms following vaccination, I am aware it may require the administration of epinephrine, diphenhydramine, beta-agonists, and/or antihistamines to treat this reaction and 9-1-1 will be called to provide additional assistance. In the event of anaphylaxis, I, my agent, and/or EMS paramedics will receive a copy of this form. I understand the information contained on this form, may be disclosed to the public health authority and to other required parties for the purpose of adverse event and drug safety reporting. This indemnification and hold harmless agreements shall include indemnity against all costs, including without limitation, attorney's fees and court costs, expenses, and liabilities incurred in or in connection with such claim or proceeding brought theron and in defense thereof.

☐ I confirm that I/my child want to receive the vaccine/injection
